The Art of Spiritual Leadership seeks to help students become inspiring leaders who positively influence their community. Also available in the Values-Based Version. As parents, we all want our children to grow up to be healthy and happy. But do we ever stop to think about how we can help them grow up to love God? Raising Faith is full of stories and encouragement to help us feel enthused and confident to nurture faith in our children. Full colour throughout, it's packed with bite-sized articles and helpful ideas to try out even in the middle of the busyness of family life. Katharine Hill and Andy Frost's honest and practical advice will dispel the guilt, show us how much we're already doing, and inspire us with simple new ways to help our children love God while they are young. Take advantage of these great discount codes to save almost 50% on orders of 20 or 40 books: FAITH20 (20 copies for £50 - saving £49.80) FAITH40 (40 copies for £100 - saving £99.60) Add Raising Faith to your basket Update your basket to either 20 or 40 copies Add your discount code Complete your order "This book is super-easy to read and digest. It gives us parents confidence to own our critical role in passing on the great gift of faith to our children." Tim Hughes, singer-songwriter, leader of Worship Central, and vicar of St Luke's, Birmingham "A challenging, inspiring, hopeful and practical book that every Christian parent should read straight away. This is a vital resource for all of us who desperately want our children to find Jesus for themselves." Gavin Calver, Director of Mission, Evangelical Alliance and Chair of Spring Harvest The four stars are purely for the edited version present on Wattpad. The story begins with this young and lost girl that has everyone in knots as to who she really is....And to be honest, till the very end even the readers won't know who she is exactly. The mystery and the tons of questions keep you glued to the book. Day and Night! Even if you are smart and skip to the last chapters (to unravel the mystery and the plot), you won't really understand or get the hang of it. So, you'll pretty much The four stars are purely for the edited version present on Wattpad. The story begins with this young and lost girl that has everyone in knots as to who she really is....And to be honest, till the very end even the readers won't know who she is exactly. The mystery and the tons of questions keep you glued to the book. Day and Night! Even if you are smart and skip to the last chapters (to unravel the mystery and the plot), you won't really understand or get the hang of it. So, you'll pretty much The four stars are purely for the edited version present on Wattpad. The story begins with this young and lost girl that has everyone in knots as to who she really is....And to be honest, till the very end even the readers won't know who she is exactly. The mystery and the tons of questions keep you glued to the book. Day and Night! Even if you are smart and skip to the last chapters (to unravel the mystery and the plot), you won't really understand or get the hang of it. So, you'll pretty much have to go through the chapters like a good, diligent reader and wait for the story line to unfurl itself at its own bittersweet pace. It is a marvel, what the author has managed to accomplish with this book. Generally, other mystery and thriller novels give out bits of pieces as to what, when, who, where and why. This one is completely different. It'll keep you on your toes, biting your nails and you'll find yourself flipping pages to know just what happened next....However, the Wattpad version ends abruptly with a thousand questions unanswered and the cliff-hanger being exactly that....a hanger!!! So, I went in to buy the "unedited" second and third parts of the book. That's where all the excitement and thrill takes a nosedive. It becomes a cliché story. A troubled girl and trouble guy, trying to fix each other for themselves or for the love, it ain't exactly clear. The grammar, spelling mistakes and language make it one hell of a job to even follow the storyline. It is pretty mundane and normal, like something written by an amateur writer. While the story line is still amazing, the "oomph" factor is leached out and you just end up skipping chapters to get to the end of it, like a faithful reader would. So, Fayth / Ruhama Gressner ends up being married to Lexis Ellis, who loves her deeply. Her heart is just too deeply troubled to allow him, or anyone else in. But she tries and the way their journey is outlined, from enemies to lovers to becoming inseparable, well that is something that takes your breath away. And Jessie, well he just turns out to be her brother....pretty harmless huh? These kind of things....smaller details....unravel as you read on. Slowly your questions are answered, but till then this book will be all you see! ...more [Table of Contents](#) You may also like: [Thriller and Mystery Staff Picks](#) [Direct Download Link](#): [Old Testament heroes are best known for their most celebrated moments: Moses dividing the Red Sea; David slaying Goliath; Gideon routing an insurmountable army; Joshua marching around the defiant walls of Jericho. And Elijah—calling down fire on Mount Carmel. Blinded by the remarkable narratives of our biblical heroes, we can forget they each had a backstory—months and years of development, even difficulty, which fortified their spiritual muscle and prepared them for the tasks that made their lives unforgettable. Every serious believer longs to summon up the kind of boldness and faith that can stand firm on Mount Carmel and pray down heaven into impossible situations. Yet few are willing to go through the process required to get them there. Strength of faith, character, and boldness can only be shaped in the hidden fires of silence, sameness, solitude, and adversity. Those who patiently wait on God in the darkness emerge with their holy loyalty cemented, their courage emblazoned, and their confident belief in Him set afire. Join Priscilla Shirer on this 7-session journey through the life and times of the prophet Elijah to discover how the fire on Mount Carmel was forged in the valley of famine. And how the emboldened, fiery faith you desire is being fashioned by God in your life right now. Note that video access is not included with the purchase of this Bible Study book. To view the seven enriching teaching videos for this study \(approximately 30-40 minutes per session\), please purchase the Elijah leader kit.](#) [F.a.i.t.h full book pdf](#).
